

# Digital cultural heritage, Europeana and EYCH 2018

2018 will see activities and initiatives all around Europe to get people interested and involved in cultural heritage. It's our chance to draw attention to digital cultural heritage, so join us! Here's how to take action during the AGM:

## 1. Predict what digital will bring to EYCH 2018.

Go to [www.menti.com](http://www.menti.com) and use code 22 82 64

Write your predictions. The idea is to think about the possibilities of the online world for our cultural heritage and how it can help support the Year and its connection to people. We will discuss them during Session 3 and revisit during the year and see if they come true.

Think big and be bold!

## 2. Help us launch EYCH 2018 on social media

Go to [bit.ly/ThunderclapEYCH2018](http://bit.ly/ThunderclapEYCH2018) and support our #AllezCulture campaign - #SoDoWe! on Twitter, Facebook or Tumblr. Your tweets and posts will be saved and published automatically from your account. We'll see them being released during Session 3.

Join us and let's bring digital cultural heritage to EYCH 2018!
