The power of attorney granted by the Governing Board to Jill Cousins which delegate some aspects of the functions of the Board to the executive director has to be updated to guarantee a smooth transition of legal and financial responsibilities to Harry Verwayen as the acting executive director. Updating the PoA will be followed by registration of Harry Verwayen at the Chamber of Commerce and the European Commission systems to submit for projects. The latter is particularly important for the submission of DSI-4 under open procurement. The changes to the current PoA deliberately remain minimal.

The Board approved the PoA (see annex) via basecamp on 13 and 14 February 2018.
