# Comms strategy

## We will achieve this by:

- Emphasising sense of co-ownership
- Re-energising our relationship with partners
- Embedding sense of energy into messages and approach
- Underscoring relevance of content and activities in daily life
- Employing an evidence-based approach
- Exploiting quality content
- Enlist partners as champions
- Connecting our message and values to our delivery

# Comms objectives

Our concrete objectives are:

- To increase **awareness** of Europeana as publishing platform
- To be **recognized** as a trusted partner
- To increase **understanding** of
  - the respective roles
  - quality content to platform
- To be **referenced** as the example of innovation

# Chapter 5 Audiences

:  
Aigües, le speaker  
Meurisse  
1921, National Library of France  
France, Public Domain

# Key tactics

## This will be applied through

- A **'web first'** approach e.g.

*Use concise, punchy language whenever we can*  
*Annual Report is an interactive slidebean not just a PDF*

- **Inclusive** language, examples and references e.g

*Our press releases emphasise the 'we' and include a quote from partners*  
*We invite partners to provide guest blogs*

- Incorporating and **showcase content** whenever possible

- Tapping into broader, **topical** and EU level pan-European themes/campaigns e.g.

*Migration*      *European Year of Cultural Heritage*

*Valentines Day*

*World Poetry Day*

*World Book Day*

# Key tactics

## This will be applied through

- **Feedback on progress and value** to participating institutions and stakeholders core to planning and execution. e.g.
  - provide regular campaign updates to contributing institutions on how content used in campaigns*
  - create and share reports that demonstrate use of open content*
- Ensuring **MS and CHI are involved** in creating, running, promoting campaigns e.g.
  - Europeana 280*
  - Europeana Migration*
- Communicating the MS and CHI role in wider success through **easy to use/share stories and cases** that they can also communicate.
  - Europeana 280 Slidebean*
- Developing **role of domain aggregators** in sharing evidence-based demonstration of value of Europeana to CHI

# Key tactics

## This will be applied through

- Continuing to develop **relationships and partnerships with**
  - **external platforms** to widen take-up by casual users of culture e.g.  
[building our initial participation in #GiFitUP into a partnership](#)
  - **major platforms and communities** like Wikipedia, Wikimedia Commons to promote access to content  
[Europeana 1914-1918 Wikimedia competition](#)
- relevant **pan-European cultural organisations** to enrich content and experience offered to audience and to extend reach
